Service Explanation

We offer a safe, secure and quality WEEE waste removal and treatment service. We have the option of two truck types to accommodate the size of the clearance giving you a sense of trust by proactively reducing your risks associated with security & data management
All our vehicles are tracked 'point to point' from collection to delivery. We take full responsibility for all items from the moment they enter our vans
We can potentially offer FOC collections however this is based on the client providing us with a detailed inventory list*
